**Terms and Conditions for Fund Withdrawal**

1. I hereby authorize the Company to withdraw from my account amounts requested by me from time to time (Withdrawals) and/or transfer such amounts to my bank account.
2. I hereby undertake to provide the Company with full and accurate information necessary to perform the Withdrawal, according to the Company's request, and to verify in advance that all such information is updated, complete and accurate, and that the Account has sufficient funds in order to allow the Withdrawal. I hereby waive any claim towards the Company regarding the Company's activity according to my instructions and the information provided by me.
3. I hereby undertake that this authorization does not obligate the Company to perform any Withdrawal, and that the performance of any Withdrawal shall be at the Company's sole and exclusive discretion.
4. I hereby waive any claim and/or suit regard to the Company's actions according to this authorization, and exempt the Company from any liability to any damage and/or cost, if any, as a result of this authorization and/or the Company's actions according to it.
5. I agree that the Company is entitled on its sole discretion to require me to sign specific withdrawal forms, which may change from time to time, with regard to any given withdrawal (the "Form"). I undertake that the Company may decide not to perform any Withdrawal, on its sole discretion, prior to me signing such Form and providing the Company with the signed Form and/or any other information it may require.
6. Without derogating from my sole and entire responsibility to perform tax payments and other bank charges, I agree that the Company may deduct tax or other bank charges, as may be required, but is not obligated to do so, from the amounts withdrawn according to this authorization. I am aware that the amounts withdrawn are "gross amounts", from which the Company may deduct such taxes and other bank charges, and I shall have no claim towards the Company with regard to such deductions.
7. In this authorization, the "Company" shall mean the Company, any subsidiary and/or parent company, as well as any of the Company's shareholders, directors, executives, employees, and/or any other third party acting on the Company's behalf.
